

**Great Park**  
HOMECARE

Trusted home care in Windsor & beyond

*“My father-in-law needed care daily, Great Park Homecare was recommended to me by a friend whom they care for. The service received is excellent! They have put themselves out to accommodate the needs of my father-in-law. They are excellent at communicating should there be any needs (i.e. shopping or any problems). I would highly recommend the very caring team of carers. Thank you, this has taken a real load off my shoulders.”*
